EDUCATION

The University of Texas at Austin	Bachelor of Science and Arts, Biology Minor: Asian American Studies Overall GPA: 3.6	May 2020
--	--	----------

RESEARCH AND CLINICAL EXPERIENCE

Cologuard Research	May 2019-July 2019
<ul style="list-style-type: none">I participated in patient selection for a study looking to improve the accuracy of the Cologuard screening for colon cancer. In addition I also assisted in the creation of the infrastructure of future studies for cardiac and esophageal cancer screenings.	
Dr. Mohammad Ali Saeed, MD	May 2018-August 2018
<ul style="list-style-type: none">I was able to observe various vascular surgical procedures ranging from routine angiograms to more complex fistula readjustments.	
Dr. Ayub Hussain, MD	May 2017-August 2017
<ul style="list-style-type: none">I was able to observe a number of procedures ranging from endoscopies and colonoscopies to more complex kidney stone removals.	
Voss Road Animal Clinic	May 2017-August 2017
<ul style="list-style-type: none">I assisted with various veterinary procedures such as microscopic screenings and vaccine administration.	
Memorial Hermann Hospital	August 2014-May 2016
<ul style="list-style-type: none">Shadowed a variety of doctors throughout the hospital. This included providers in the speech therapy, burn, dermatology, and radiology departments.	
Texas Children's Hospital	August 2014-May 2016
<ul style="list-style-type: none">Shadowed doctors in both the dermatology and neurology departments. I was able to observe routine checkups along with consultations.

- Urban studies, American Literature, American Government, Introductory psychology and sociology, Rhetoric and Writing, Introductory Theatre, Introductory Urdu, History of the Religions of Asia, Professional Communication, and various Asian American Studies classes such as "screening race" and "race and work".

VOLUNTEER EXPERIENCE & ACTIVITIES

Arthritis Care Foundation	December 2017-January 2018, December 2018-January 2019
<ul style="list-style-type: none">This foundation assists underprivileged people in Lahore, Pakistan who cannot afford arthritis treatment. I conducted demographic research and helped with patient registration and patient history. I also observed patient consultation.	
Helping Hands Children's Home	August 2017-January 2020
<ul style="list-style-type: none">This organization looks after disenfranchised children and seeks "to provide a nurturing and therapeutic home for children and to restore each child to a healthy family setting". I performed and directed short skits for the children at that home along with producing and sound designing a production.	
Austin Pets Alive	August 2016-May 2017
<ul style="list-style-type: none">Austin Pets Alive is an organization which is dedicated to the adoption of animals without the use of euthanasia. I volunteered in the shelter and cleaned and generally cared for the cats.	

EXTRA CURRICULAR EXPERIENCE & ACTIVITIES

University Theatre Guild	August 2016-Present
<ul style="list-style-type: none">Regularly produces two plays a semester, along with various social and philanthropic activities.	
Play writing experience	January 2017-March 2017
<ul style="list-style-type: none">I wrote and produced a short play on the subject of cultural stratification.
